INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors
Charter Foundation
Sebastopol, California

We have reviewed the accompanying statement of financial position of the Charter Foundation (a non-profit public benefit corporation) as of June 30, 2016 and the related statement of activities, statement of functional expenses and statement of cash flows for the year then ended and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of Foundation management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

CHARTER FOUNDATION

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Charter Foundation (Foundation) was formed as a nonprofit public benefit corporation on November 10, 1999 to provide facilities and resources to charter school programs which use the Waldorf Curriculum. It is the designated fund raising entity for individual charter schools, and will solicit private funds for the use and support of such school programs. The primary focus of the Foundation is to invest these private funds in the purchase of one or more sites and the construction of school facilities for charter school programs.

The Foundation will provide ownership continuity and authority over assets purchased with funds donated by private donors who are specifically interested in the use of the Waldorf Curriculum in publicly supported school programs. The Foundation's primary focus is to direct its resources for the exclusive benefit of the Sebastopol Independent Charter School. The Foundation is committed to providing facilities that will surround children with classrooms, gardens, wildlife trails, and other facilities that will inspire and uplift the human spirit.

B. Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables and other liabilities.

C. Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Accounting Standards Codification (ASC) 958-205 Not-for-Profit Entities, presentation of financial statements. Under ASC 958 the Foundation is required to report information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets - Net assets that are not subject to donor-imposed stipulations. The Foundation has designated funds for building maintenance costs in the amount of \$102,000 as of June 30, 2016.

CHARTER FOUNDATION

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

C. Financial Statement Presentation (Concluded)

Temporarily restricted net assets - Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Foundation and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. If restrictions are met within the same reporting period as received, such contributions are reported as unrestricted support. The Foundation has no temporarily restricted net assets at June 30, 2016.

Permanently restricted net assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by the Foundation. The Foundation has no permanently restricted net assets as of June 30, 2016.

In addition, the Foundation is required to present a statement of cash flows. As by ASC 958-230, Not-for-Profit Entities - statement of cash flows, the Foundation does not use fund accounting.

D. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

E. Investments

Investments in marketable securities with readily available fair values are stated at fair value. Debt securities without readily determinable fair values are stated at cost (see Note 3).

F. Donations

Assets - Donated marketable securities and other noncash donations are recorded as contributions at their estimated fair values at the date of donation.

Property and Equipment - Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Such donations are reported as increases in unrestricted net assets unless the donor has restricted the donated asset to a specific purpose.

CHARTER FOUNDATION

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - SIGNIFICANT ACCOUNTING POLICIES (CONCLUDED)

F. Donations (Concluded)

Property and Equipment (Concluded) - Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Foundation reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Foundation reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Services - No amounts have been reflected in the financial statements for donated services. The Foundation generally pays for services requiring specific expertise. However, many individuals may volunteer their time and perform a variety of tasks that assist the Foundation. Donated services are recognized as contributions in accordance with ASC 958-605-25-16 Not-for-Profit Entities, revenue recognition and contributed services, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation.

G. Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

H. Income Taxes

No provision for income tax has been included in the financial statements. The Foundation is generally not taxable under Internal Revenue Service Code section 501(c)(3) and similar regulations of the California Franchise Tax Board. The Foundation's Form 990 (Return of Organization Exempt from Income Tax) for years ended 2014, 2015 and 2016 are subject to examination by the Internal Revenue Service, generally for three (3) years after they were filed.

I. Functional Allocation of Expenses

Expense by function have been allocated among program and general and administrative classifications on the basis of estimates made by the Foundation's management. Accordingly, certain costs have been allocated between programs and management and general based on the activities benefited.
